Auditor's Report on Review of Interim Financial Information

To the Board of Directors of Syntec Construction Public Company Limited

I have reviewed the interim consolidated financial information of Syntec Construction Public Company Limited and its subsidiaries, and the interim separate financial information of Syntec Construction Public Company Limited. These comprise the consolidated and separate statements of financial position as at September 30, 2021, the consolidated and separate statements of comprehensive income for the three-month and nine-month periods then ended, the related consolidated and separate statement of changes in shareholders' equity, and cash flows for the nine-month period then ended, and the condensed notes to the interim consolidated and separate financial information. Management is responsible for the preparation and presentation of this interim consolidated and separate financial information in accordance with the Thai Accounting Standard 34, "Interim Financial Reporting." My responsibility is to express a conclusion on this interim consolidated and separate financial information based on my review.

Scope of review

I conducted my review in accordance with Thai Standard on Review Engagements 2410, "Review of interim financial information performed by the independent auditor of the entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

Conclusion

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim consolidated and separate financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard 34, "Interim Financial Reporting".

The consolidated and separate statements of financial position for the year ended December 31,2020, of Syntec Construction Public Company Limited and its subsidiaries, presented herewith for comparative purpose only, were audited by another auditor in the same office whose report dated on February 26, 2021, expressed an unqualified opinion on those.
